We continue to strive for excellence in the services we provide and realize you may still have concerns about the ongoing COVID-19 pandemic. Our facilities are cleaned regularly and we ask that customers maintain their distance while at the front counter. For these reasons, our waiting room will remain closed and we encourage you **not** to wait for your vehicle repair. Your Hillman team is here for you, and hope to have our waiting room open again sometime in April.

Thank you for your business,
Ron & David Hillman
